to Provide Inmate Telephone Service.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the December 28, 1995 Request of John F. Beach, Esq., for an extension in the applicant's deadline to pre-file testimony. Presently, Mr. Beach's client in this case is required to file testimony on or before January 2, 1996. Mr. Beach states that because of vacation schedules that have surrounded the holiday season, it has been difficult to meet the deadline. He therefore asks for an extension of one week, until January 7, 1996, to file testimony on behalf of his clients. Mr. Beach states that since there are no intervenors in the docket that granting the extension will not prejudice any parties to the proceeding.

The Commission has considered this matter and agrees that the relief requested by Mr. Beach should be granted. Mr. Beach now has until January 7, 1996 to file testimony on behalf of his client. This Order shall remain in full force and effect until further order of the Commission.
